

# St. Frances Cabrini CATHOLIC SCHOOL

An Independence Mission School

Dear Parents/Guardians,

Welcome back to Saint Frances Cabrini for the 2021-2022 academic year. It is my great pleasure to be working with you and your child and I am excited to see what the year will bring. To introduce myself, my name is Christopher Daniels and I will be your child's English and Social Studies for 4th and 5th grade. This will be my second year at St. Frances Cabrini. I grew up in the West Philadelphia community and attended school at Our Lady of the Rosary/Blessed Sacrament school at 63rd and Callowhill. I am very familiar with the community and it is my vision to serve my students to the best of my abilities.

Below, you will find a list of supplies that each student will be expected to have at the beginning of the academic year, 2021-2022.
