

June 2021

Hello Families!

Welcome to Middle School English Language Arts! Starting a new school year is such an exciting time! To begin the year, I will introduce myself. My name is Miss Potter and I have been at St. Frances Cabrini for seven years, now entering the eighth. I attended La Salle University for my undergraduate degree and Saint Joseph's University for my master's degree. I love animals, reading anything and everything, and doing thrilling activities such as marathon training, skydiving and mountain climbing. We will get to know one another throughout the year but most importantly, I am looking forward to getting to know your sons and daughters and guiding them in their learning of English Language Arts, as well as Religion for the 6th grade.

Please feel free to get in touch with me between 7am and 6pm each day, through email and I will be sure to respond within 48 hours. The best way to contact me is by my email address which is

cwilliamspotter@stfrancescabriniphila.org.

I stress a great deal of responsibility during this time of Middle School which I believe can be achieved by us working together. I also believe in the importance of a strong home-school connection and welcome your support throughout the year. For many of you, I have been with your student since teaching them in first grade and I am looking forward to continuing this journey!

Yours in education,

Miss Potter
