

June 2021

Dear parents/guardians!

Welcome to Kindergarten! We are so excited to welcome your students hopefully into our classrooms in the fall and to start learning with them come September. Between now and then there are a few things we need from you.

First, it is important to us that your students begin their educational journey over the summer. For many students this upcoming school year will be their first experience in a school setting, where they will spend the next 13 years of their lives. Making sure they are familiar with how to hold a book, where to begin reading on a page, letters, letter sounds, numbers to 10, colors, and spelling their name would be a huge start. We have made available a workbook to aid you in these skills. Please work through it with your student. It is due the first day back at school.

Second, there is a list of supplies your student should have with them on the first day of the new school year. Some of the list (specified) you will acquire through the school. If you are having trouble finding anything please let us know.

Last, we have a school uniform. In kindergarten (due to the sometimes messy nature) your student will only need our school's gym uniform. These can be purchased at Flynn O'Hara. Please have a few sets, as you will need to leave a spare at school in addition to what you have at home.

We can't wait to get to see your students in the fall, and start learning together!

Ms. Chomsky & Ms. Leonard
